Extreme Science: v. 8

By David Orme

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Extreme Science: v. 8, David Orme, 'Extreme Science' describes the very limits of science. It answers many big questions, such as How did the universe begin? How will it end? Will we ever visit the stars? Could we bring dinosaurs back to life? Can we travel back in time? Could we live forever? All great questions, often with some surprising answers! The fiction story 'The Man in the Machine' tells a great story of universes living inside computers. It really gives you something to think about if you like computer games! Extreme Science is part of the Trailblazers series, published by Ransom Publishing. It is ideal for older children and young adults with a reading age of 5 - 8. The books are suitable for general reading or as part of a more structured reading programme. Each book is on a strong, popular topic, with a colourful, attractive layout, combining fact and fiction. Each book has a non fiction and a fiction section. The fiction story appears in two formats - one with simple texts for poor readers; the facing pages contain an illustrated "speech bubble" version of the same story, for...
