

## The Deep Whatsis

Filesize: 5.14 MB

### ***Reviews***

*This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## THE DEEP WHATSIS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Deep Whatsis, Peter Mattei, A gripping and hilarious satire of hipsters, consumerism, contemporary art, for fans of Bret Easton Ellis and Don DeLillo. When a successful Advertising Executive meets a mischievous intern, his whole sensational existence begins to crumble around him. Eric Nye, a Chief Idea Officer at a New York advertising agency, is the ultimate corporate success story. Ruthless, talented and young, his employers pay him an extortionate amount of money to manage the 'downsizing' of their company, which entails firing dozens of longtime employees before their pensions kick in. It's only when he meets 'Intern' that cracks begin to show in his seemingly triumphant existence. Eric could have 'Intern' any time he wants her. So why hasn't he? And why can't he stop thinking about her. Before long, what begins as sexual frustration becomes an existential crisis that causes Eric to question his careers, his relationships, even his sanity. Mattei's addictive debut follows its anti-hero's quest for contemporary self-identity in a toxic corporate world.
