Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Joana Champlin)

ANARCHY

Paperback. Book Condition: New. Not Signed; Anarchy is the knuckle-whitening third novel in Stewart Binns' The Making of England series. Ruthless brutality, greed and ambition: the Anarchy . The year is 1186, the thirty-second year of the reign of Henry II. Gilbert Foliot, Bishop of London, has lived through long Henry's reign and that of his grandfather, Henry I. He has witnessed the terrifying civil war between Henry II's mother, the Empress Matilda, and her cousin, Stephen; a time so traumatic it becomes known as the Anarchy. The greatest letter writer of the 12th Century, Folio gives an intimate account of one of England's most troubled eras. Central to his account is the life of a knight he first met over fifty years earlier, Harold of Hereford. Harold's life is an intriguing microcosm of the times. Born of noble blood and legendary lineage, he is one of the nine founders of the Knights Templar and a survivor of the fearsome battles of the Crusader States in the Holy Land. Harold is loyal warrior in the cause of the Empress Matilda. On his broad shoulders, Harold carries the legacy of England's past and its dormant hopes for the future. Stewart Binns' Anarchy is a gripping novel in the great tradition of Conn Iggulden and Bernard Cornwell, and is the third in The Making of England trilogy, following Conquest and Crusade . Praise for Stewart Binns: Binns' stories are a terrific mix of history and human drama . (Celia Sandys: Author, presenter and granddaughter of Winston Churchill). A fascinating mix of fact, legend and fiction .this is storytelling at its best . (Daily Mail). Stewart Binns began his professional life as an academic. He then pursued several adventures, including a stint at the BBC, before settling into a career as...
