Farrar, Straus and Giroux, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "One stop shopping for the future where nations you fear will have weapons you dread. And there is little you can do about it except to read this excellent book and face the facts your government keeps secret and your leaders fail to comprehend." --Charles Bowden, author of Blood Orchid: An Unnatural History of America "Langewiesche has evolved into perhaps our leading forensic journalist, a voracious student of all that can go wrong. Like a literary-minded accident investigator, he digs for every shred of evidence, without worrying about whom his conclusions might offend." --Bill Gifford, The Washington Post Book World "Langewiesche brings knowledge and passion as well as a careful eloquence to his subject." --The New York Times Book Review.
