

Functional Equations and How to Solve Them (Paperback)

Filesize: 1.83 MB

Reviews

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You wont sense monotony at at any time of your own time (that's what catalogs are for relating to should you check with me).

(Mr. David Stanton Jr.)

FUNCTIONAL EQUATIONS AND HOW TO SOLVE THEM (PAPERBACK)

Springer-Verlag New York Inc., United States, 2007. Paperback. Book Condition: New. 2007.. 231 x 155 mm. Language: English Brand New Book ***** Print on Demand *****.Many books have been written on the theory of functional equations, but very few help readers solve functional equations in mathematics competitions and mathematical problem solving. This book fills that gap. Each chapter includes a list of problems associated with the covered material. These vary in difficulty, with the easiest being accessible to any high school student who has read the chapter carefully. The most difficult will challenge students studying for the International Mathematical Olympiad or the Putnam Competition. An appendix provides a springboard for further investigation of the concepts of limits, infinite series and continuity.
