Frankenstein The Lynd Ward Illustrated Edition

By Mary Shelley

Dover Publications. Paperback. Book Condition: New. Lynd Ward (illustrator). Paperback. 304 pages. Dimensions: 9.2in. x 6.1in. x 0.7in. Nearly 200 years ago, a teenager dreamt of a scientist who experimented with restoring life to the dead. Encouraged by her literary-minded friends, she expanded her fantasy into a gripping story that became the epitome of the Gothic novel. Mary Shelley's suspenseful narrative of a misbegotten monster's revenge resounds with compelling questions about ambition, responsibility, and other issues that continue to enthrall modern readers. Acclaimed as both the first modern horror novel and the first science-fiction novel, Frankenstein has inspired numerous interpretations. This magnificently illustrated edition features the complete wood engravings by graphic artist Lynd Ward. A master of woodcut technique, Ward combined elements of Art Deco and German Expressionism in his images. His unusual perspectives and dramatic light-and-dark contrasts offer the perfect complement to Shelley's moody masterpiece. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.

-- Gerardo Bauch PhD

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).
