

The Phoenix Index: Never Rain (Paperback)

By James Cummins

Publish America, United States, 2001. Paperback. Book Condition: New. 218 x 144 mm. Language: English . Brand New Book ***** Print on Demand *****.In the author s own words: Drugs, Sex, Romance. This is what the final summer of our lives was all about. Ambition, loss, desperation. These were the cold realities of the lives ahead of us. As society bore down, we found ourselves a cradle in which to grow, digress and create the memories few ever attain. From the blistered eyes of a young poet thrown into the gray pit of the real world, comes a song of hope, a song of peace. And a song that hopefully shall sing forever.

Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Cassandra Von**

This publication is definitely worth buying. It is writter in straightforward words rather than difficult to understand. You are going to like how the writer compose this publication.
