But Joanie s masochism isn t just sexual - it s all of her happiness that s tied to pain. She can only feel the highest emotional joys of art, music, love, and other things through some measure of pain. Joanie s family ostracizes her for this, going so far as to get her an exorcism and have her committed to a psych ward for electro-shock therapy. Joanie is all alone in the world, until she meets a boxer named Michael who might possibly be just like her.
