Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Family life for the Kellys is rather unusual, full of fantasy adventure and fun. They are very small and live in a house in an enchanted wood, so their family drama often goes unnoticed by passersby. In this delight among enchanting children s short stories we follow one of the Kelly children, Macy, in a children s fantasy of adventure humour for kids. Macy is a tiny girl in a large family. While she dreams of adventure humour family life goes on around her. So unhelpful is she when asked to lend a hand that she earns the nickname Helpless Hopeless . But one day, Macy hears a strange noise. Her sense of children s fantasy adventure leads her to the mouth of a snoring giant, and with one false step she falls in! All is not lost, however, because in the giant s stomach she finds her grandmother, who has also been swallowed. But as family drama unfolds outside the giant s stomach, it may be a while before Macy finds a way out. This brilliant new example of children s short stories in the fantasy genre is full of family values and humour for kids that you will return to again and again.
