Brand New Book ***** Print on Demand *****.It was one hot summer s day in the month of August 1619, as the story goes, that a Dutch man-of-war entered the mouth of the James River, in what is now the State of Virginia, and, coming in with the tide, dropped anchor opposite the little settlement of Jamestown. Ships were rare enough to be remembered in that day, even when there was nothing especially remarkable about them, as there was about this one. But this particular ship was so interesting at the time, and so important because of what followed in the wake of its coming, that it has not been forgotten to this day. The reason for this is that it brought the first slaves to the first English settlement in the New World. It is with the coming of these first African slaves to Jamestown that the story of slavery, so far as our own country is concerned, begins.
