Concepts and Techniques of Machine Safeguarding (Paperback)

By States Department of Labor United States Department of Labor

University Press of the Pacific, United States, 2004. Paperback. Book Condition: New. 274 x 206 mm. Language: English . Brand New Book ***** Print on Demand *****.This manual has been prepared as an aid to employers, employees, machine manufacturers, machine guard designers and fabricators, and all others with an interest in protecting workers against the hazards of moving machine parts. It identifies the major mechanical motions and the general principles of safeguarding them. Current applications of each technique are shown in accompanying illustrations of specific operations and machines. The methods described here may be transferred, with due care, to different machines with similar hazards. To determine whether or not safeguarding meets the requirements of the standard, any mechanical motion that threatens a worker's safety should not remain unguarded. Contents: Introduction Basics of Machine Safeguarding Methods of Machine Safeguarding Guard Construction Machinery Maintenance and Repair Utilization of Industry Consensus Standards Robotics in the Workplace Cellular Manufacturing Systems Ergonomic Considerations of Machine Safeguarding Cooperation and Assistance Machine Guarding Checklist Worker Rights and Responsibilities Bibliography States with Approved Plans OSHA Consultation Project Directory Related Publications.

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Aliya Franecki

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
