In 1890, when Zion Church was consolidated with St. Timothy s Church, the writer, being the custodian of all the books of records of the younger parish, was induced, as both parishes had thus lost their individuality, to rescue their respective histories from possible oblivion by putting them in printed form, together with a short sketch of the parish which is the outgrowth of the union. In performing this labor of research, much time has necessarily been spent, in the intervals of an active business life, in the collection of historical and statistical data.
