Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sketch of Dunbarton, New Hampshire Dunbarton is a town set upon a hill which cannot be hid. The highest point of land is on the farm of Benjamin Lord, north of the Center, and is 779 feet above the sea level. From that spot, and from many other places nearly as high, the views of hills and mountains are beautiful and grand beyond description, The twin Uncanoonucs are near neighbors On the south, Monadnock, farther off on the south-west, and Kearsarge twenty miles to the north west. On the northern horizon are seen Mount Washington and other peaks of the White Mountains. The longest hill in town is the mile-long Mills hill, and midway on its slope live descendants of Thomas Mills, one of the first settlers. Among other hills are Duncanowett, Hammond, Tenney, Grapevine, Harris, Legache, and Prospect Hills. No rivers run through the town, but there are numerous brooks where trout fishing is pursued with more or less success. No body of water is large enough to be called a lake, but Gorham Pond is a beautiful sheet of water and on its banks picnics are held. Stark s and Kimball s Ponds have furnished water power for mills, the latter, owned by Willie F. Paige, is still in use. Long Pond, in the south part of the town, was the scene of a tragedy in 1879, when Moses Merrill, an officer at the State Industrial School, Manchester, was drowned in an ineffectual attempt to save an inmate of that institution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction...
