Gelcour Books, United States, 2013. Hardback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.UNICORN MOON, at 42 pages with full-color illustrations, is a fairy tale with a modern twist on true love s meaning. A lonely princess dreams of a handsome prince in a land called Unicorn Moon. He is held captive by an evil hag s spell, which can be broken only by solving the riddle of true love s meaning. Using antique romantic symbols of princess, prince, and unicorn, the tale rejects the old happily-ever-after ending promising salvation by a prince charming s love. Unconsciously, that dream is just an immature wish for parenting - like being held prisoner by the witch-hag of the land of Unicorn Moon. So solving that hag s riddle of true love, is to say no - not yes - to false love s spell that love can save you from inner pain. Thus, no rejects childlike longing for love from dysfunctional parents. And yes embraces the adult s strength to heal childhood traumas to find inner strength to give love to another. The alternative to healthy true love is remaining in the grasp of the hag-parent and in unrequited hunting for rescue in the dream land of Unicorn Moon. Author and illustrator, GALE COOPER, is a Harvard educated, M.D. psychiatrist, who has written and illustrated other books on fantasy, animal anatomy, human interest, and Old West history. Other Books by the Author: One Unicorn; Meerly A. Bair; Inside Animals; Introduction to Animal Anatomy; Anatomy of the Frog; Anatomy of the Guinea Pig; Joseph Naiman and his Family; Animal People; Joy of the Birds: A Novel; Billy and Paulita: A Novel; Billy the Kid s Writings, Words, and Wit; MegaHoax: The Strange Plot...
