This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

NeWest Press. Paperback. Book Condition: new. BRAND NEW, Beyond Spite, R.F. Darion, Mere weeks after a killer involved in a puzzling homicide is caught in the quiet bedroom community of St Michael, Staff Sergeant Laurenson is on another case. The victim is alive, but Tiffany Skoreko, who has been beaten and violently raped, is found wandering barefoot and incoherent on a country road. Laurenson's early investigation shows that the man they're looking for has a history of chameleon-like adaptation to any locale and a gift for getting himself into the good graces of any woman. Laurenson and his staff must identify and find the criminal before it's too late. This chameleon is a time-bomb on the brink of going off more violently than ever before, and this time it's personal.
