Three people died simultaneously in different parts of India, seemingly unrelated but as the investigation progressed the investigators started finding evidences which ultimately not only related these incidents but opened doors to an investigation which was a much larger conspiracy, beyond anyone s imagination. Tapas had a good job, a bright future and was about to marry the girl he loved but fate suddenly turned against him. That s when he met a spiritual Guru who taught him Pranayama, meditation, and the teachings of the Bhagavad Gita. Soon, he started taking classes of Pranayama, meditation and started giving Gita pravachan for a small fee. With this modest beginning, he went on to having the largest ashram in India at Puri, Odisha and many ashrams in various countries around the world. An MLA, an American and an Ayurvedic doctor, were instrumental in his rise. Everything was going well for everyone until there was a murder in the ashram. What was really going on? Was the ashram really, what it was supposed to be?.
