Reviews

This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).

(Prof. Ophelia Wiegand I)

Roaring Brook Press. 1 Cloth(s), 2012. hard. Book Condition: New. Since young Lucy can't sleep and counting sheep just isn't working for her, why shouldn't she go looking for her Dolly and stuffed friend Bear? After she finds them, this irrepressible girl will need a midnight snack, a tranquil interlude on the back porch, and a chance to play dress-up. Even then, only the presence of her sleepy dog will help Lucy finally go to sleep the whole night through. This tale for prereaders by the author-illustrator of *Bea* and *Mr. Jones* has an appropriately lulling rhythm, and her bright, patterned watercolor and ink illustrations make Lucy's nighttime adventures seem altogether sunny. 32.
