Reviews

A high quality ebook as well as the typeface employed was exciting to read. It is actually loaded with wisdom and knowledge You wont sense monotony at at any moment of the time (that's what catalogues are for concerning when you request me).

(Declan Wiegand)

PELES TEARS

Createspace. Paperback. Book Condition: New. Karen Mortensen (illustrator). This item is printed on demand. Paperback. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Claire Stone smiled serenely as her jet landed at Hilo International Airport on the gorgeous, Big Island of Hawaii after a spiritual retreat in Australia. But her homecoming turned out to be anything but pleasant as she walked off the plane right into trouble. Her once peaceful hale overlooking an impossibly blue Pacific from the jungle slopes of Puna had become a battleground. Her bright, wild, statuesque daughter, Michele, had become another statistic with a boyfriend jailed for domestic violence and good riddance, thought Claire. Her best friend had been robbed and beaten --- and dead bodies were showing up on the black sand beach nearby. When a tough local detective targets her daughter in a murder investigation, its time for Claire to start her own investigation in earnest. Claire is no amateur. She has hands-on experience in criminology going back to when she worked with her ex-husbands high-powered forensic agency back in California. Claire thought shed left all that behind when she migrated to the Big Island ten years earlier to start a new life away from the rat race and an abusive spouse. Claire has always been a natural force, a woman of many talents, curious and concrete, compassionate and courageous, hard-nosed yet vulnerable. She not only wants to know, but be part of it all on the Big Island -- the Islands volcanic geology, its multi-layered, traditional culture and customs, its incredibly fertile nature where lava flows transform into jungle and nothing is ever what it seems. After traveling the world and exploring many strata of society, Claire found this island to be the place where she was destined to live. She lost no time...
