With the help of the family groom she reaches the nearest port intending to flee to France, only to find that the tide is against her. A change of identity and a stroke of luck soon see Verena sailing away to a new life, where her culinary skills learnt at school come in surprisingly useful. But meeting the Marquis of Hilchester brings a new dilemma -- as her feelings for him grow, how can she win the heart of the man she loves when she is not who she claims to be? And when a friend of her stepmother s enters the picture, events take a sinister turn. Can Verena find love and true happiness or will she be unmasked and sent back to England and a marriage she dreads or even be thrown into a French prison?
