Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand ***** Revised Edition *** Maths/Numerical Reasoning Practice Book has been specifically designed for CEM style numerical reasoning practice. The exercises are organised into three sections: Short Maths, Long Numerical Reasoning and Answer matching; the three most common CEM exam question types. The exercises cover the breadth of the KS2 maths syllabus and use the new exam format to provide ample practice to best prepare for both the Grammar school and independent schools. The exercises are compatible with CEM, GL and most entrance exams of selective Grammar Schools and selective independent schools. This is part of a three book series, with each book providing exercises of increasing levels of difficulty. Successfully used and recommended by children taking the Eleven Plus exam in the past, the content will help build your child s numerical reasoning capability and confidence! Mastering 11+ brings to you a series of titles specifically designed to help children taking the 11+ selective exams for Grammar and selective Independent schools, prepare and achieve success.
