Pages Number: 219 Publisher: China Building Industry Press Pub. Date :2010-3-1. To help construction division two national professional examinations of municipal staff understand the syllabus and examination books. examinations officers to improve problem-solving ability. familiar solution question techniques. constructed by the National Committee of municipal public works division of the commission. the organization co-wrote the editorial board of problem sets. The problem set to two construction Qualification Exam Outline (municipal public engineering) (2009 edition) and construction division national secondary qualification examination books (management and practices of municipal public works) (third edition) based on the relevant technical expertise. project management knowledge and knowledge of relevant laws and regulations. for exam outline knowledge points each. for the preparation of problem sets. In view of the National Qualification Examination two with the construction of the book (municipal public works administration and practice) (third edition). has provided twenty-eight case problems. therefore. only the concentration of multiple-choice exercises. a number of multiple choice. single choice. multiple-choice questions is to strengthen the knowledge points of the review. Problem Set edition also provides a background of multiple-choice questions. which is set by the previous two editions of the exercises do not have. The writing style of this problem set. compared with the previous version made some changes. One change: the topic organized by section for easy control exam turned up people with the appropriate entry in the book to find answers. hoping to find answers to examinations officers in the process. and gradually acquire the relevant technical knowledge and project management elements. The second change: the answer directly on the surface of the end to facilitate the verification of sit and remember. We provide the answer...
