Explanation of Provision In general The provision creates health savings accounts (HSAs) and health savings security accounts (HSSAs) which provide tax-favored treatment for current medical expenses as well as the ability to save on a tax-favored basis for future medical expenses. In general, HSAs and HSSAs are tax-exempt trusts or custodial accounts created exclusively to pay for the qualified medical expenses of the account holder and his or her spouse and dependents that are subject to 15 rules similar to those applicable to individual retirement arrangements. Unless otherwise provided, the following description applies to both HSAs and HSSAs (jointly referred to as health accounts). Within limits, contributions to health accounts are deductible if made by an eligible individual and are excludable from gross income and wages for employment tax purposes if made by the employer of an eligible individual. In the case of HSSAs only, family members may make nondeductible contributions on behalf of an eligible individual. Distributions from health accounts for qualified medical expenses are not includible in gross income. Distributions that...
