Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It seemed like they were sort of flirting with us. We have never experienced anything like this. Empty-nesters Jason and his wife Darcy receive a windfall of money and decide the best way to spend it is in an indulgent second honeymoon. Still young and energetic in their forties and with kids off to college, the time seemed right for a renewal of their love and passion. They purchase a luxurious Motorcoach and decide to drive - not to mention frolic and screw - around the country. Their renewed sensuality goes into higher gear when they meet another couple driving an RV, Jamie and Jim. Both are members of a Swingers Club and turn up the heat with Jason and Darcy to encourage the couple to sleep and swap with them. Jason and Darcy realize they aren't just open to it. This might even be the start of something that can make their relationship even stronger and spicier than before. \*A swinging, swapping, road trip romance for mature audiences. Darcy purred as she began to lift up and then...
