Igniting the Fire Inc, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.After being in the eye of the media for years and teaching at the Kingdom Music Festival for several years, the Lord dropped in my spirit to put together a book that outlines the information and impartations that I have received over the years. I have ministered to wide-eyed individuals for years on the subject of the media promoting your ministry gifts. There is a way to promote your gift without the added pressure of subjecting yourself to the pains and stains of a sometimes godless media system. You can take your gift to the nations without whoring yourself to the nations. As Kingdom builders and agents of change, we can access the seven cultural mountains and bring about a paradigm shift that sets the world on its face and on fire for the King of Kings. I believe that we can be IN the world and not OF the world. Follow God s plan for success in your ministry, business and life. Success comes knocking on the doors of those who are prepared and equipped to open the door. Are you ready?.
