Cherished Publications LLC. Hardback. Book Condition: new. BRAND NEW, The Changing Colors of Amos, John Kinyon, Kay Selvig Flanders, Cleverly written and crafted with figurative language and imagery]]filled with unique themes, teaching tools and natural discoveries against the backdrop of vibrant original pastel drawings]]children from preschool through kindergarten will enjoy again and again. Amos is a sweet little leprechaun who surprisingly enough is not green. In fact, he changes colors each day. This book could be used to teach colors and days of the week, but the poetic language allows it to transcend the typical book that teaches basics by memorization. Strong endorsements from teachers and school librarians.
