Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Vintage. Paperback / softback. Book Condition: new. BRAND NEW, Fletch Won, Gregory McDonald, Fletch Won As a fledgling reporter, Fletch is doing more flailing than anything else. That and floating around from department to department trying to figure where he fits in. His managing editor's got him pegged for the society pages, but the kind of society Fletch gets involved with is anything but polite. Fletch Won His first big interview, a millionaire lawyer with a crooked streak and an itch to give away some of his ill-gotten gains, ends up dead in the "News-Tribune"'s parking lot before Fletch can ask question number one. So Fletch ends up going after the murderer instead, and ends up learning a thing or two about crime and punishment. Fletch Won At the same time, he's supposed to be covering (or maybe uncovering) a health spa that caters to all its clients needs, and gets hired as a "very" personal trainer. Never mind that he's supposed to be getting married at the end of the week; Fletch has a few other engagements to take care of first.
