Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. When I found the ancient tomb of the two most powerful vampires in history, I knew I was in for a lot of trouble. . But archaeologists like me, Moira Jameson, are ready for trouble. Okay, maybe not human-species-threatening trouble. Or the kind of trouble that arrives in the form of a sexy werewolf named Drake. Yeah. Werewolf. And I thought ancient curses and walking corpses were a joke. Um.not so much. Cause a walking corpse named Karn wants to reveal vampires, and all of parakind, to the humans. And everyone else thinks that s a bad idea. Then a pyramid mysteriously appears in Broken Heart, Oklahoma, and I m appointed to get inside, survive booby traps, and awaken two very old, very hungry vampires. Luckily, Drake has my back (and my front). Unfortunately, archaeology sometimes reveals some very nasty surprises. And I ll have to decide between saving myself.or saving the world.
