Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, No Control, Shannon K. Butcher, Caleb Stone has no business being this close to the woman he nearly killed 18 months ago. As a Delta Force operative, Caleb was there when Lana Hancock was captured, beaten and tortured within an inch of her life by a terrorist group called the Swarm. Under orders to infiltrate the Swarm from the inside, Caleb had no choice but to mask himself as a criminal and briefly witness the brutality practised on Lana before exterminating the entire group, bringing them to their knees. He'll never forget the cold hatred in her eyes when she recognised him but now, with hatred still shining in Lana's eyes, Caleb knows she hasn't forgotten him either. As much as Caleb wants out of Lana's life, he's stuck. Caleb keeps Lana under surveillance because the Swarm has reorganised, more powerful than ever and determined to kill the one woman who can identify them and the man who betrayed their trust. As the danger mounts and the passion between them ignites, Caleb and Lana must elude the Swarm's new leader: a woman hell bent on vengeance who will stop at nothing to destroy them.
