The Rose from Sharon, the much anticipated second novel by Stuart Abrams, is an intense story about a family from Sharon, Pennsylvania, whose passions and trials by fire lead them into the circumstances that challenge the very fiber of their souls. Set in the mid-70s, The Rose from Sharon is a story established around a precious, strong willed young girl by the name of Rose Johnson. Within time, his life is in danger because of knowledge that he has from the war, as well as other situations that he finds himself in. All of this is occurring; Roses mother Dellas faithfulness to her family is put to the test by a mysterious visitor from her past. In the midst of the madness, Rose feels torn by her loyalties to the ones that she loves. Yet, it is her strength and integrity that helps her make the right choices.
