

Words Are People Too.: Bob s Rarely Used. and Rarely Useful Encyclobodomy of Words and Phrases. a Definitive and Complete Fabrication B (Paperback)

Filesize: 1.93 MB

Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

(Graciela Emard)

WORDS ARE PEOPLE TOO.: BOB S RARELY USED. AND RARELY USEFUL ENCYCLOBODOMY OF WORDS AND PHRASES. A DEFINITIVE AND COMPLETE FABRICATION B (PAPERBACK)

Waptoo, United States, 2013. Paperback. Book Condition: New. Jan Dove, Rich Draper (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Words Are People Too. Bob s rarely used and rarely useful Encyclobodomy of words and phrases. . A complete and definitive fabrication. Words Are People Too. is the perfect opportunity to shed the stress of the day by reading a two line, or a two page, pseudo document. The documents expose the when and the where that words were first used. The First Used context will shed a whole new light on language. It will amaze you. This compendium is somewhat like a reference book, insofar as it references stuff. Simply put, we learn how and why individual words or phrases were invented. Once invented, of course, the words ended up as a part of our language. They then became a reflection of the person or people who made them up. Those references, however, are derived with a humorous slant. Each word or phrase becomes a humorous essay. It will put a smile on your face (and teach you not to believe everything you read). Have you ever asked or been asked why clothes were invented and so named? The etymology of the word Clothes will surprise you. Shampoo has been with us since the first humanoid-ette got a look at her reflection from the pond she was drinking out of. How did the invention of Shampoo stick (so to speak)? How did Kansas and Arkansas receive such similar names? The Etymology will explain all.and it will even tell us how Al Gore got rhythm! So take a little time, have some fun, and discover the amazing world of (pseudo) Etymologies. The book: Words Are People Too is available on-line at Kindle e...
