Brand New Book ***** Print on Demand *****.As I watch the glowing orb of the sun dip below the horizon line of the infinite Pacific Ocean, thoughts race through my mind like the waves that crash intermittently along the shore below me, sometimes with force, other times with a calm and startling peace, not one ripple to be found. Sitting on a park bench upon these Southern California cliffs, gazing at the vastness before me, I feel transported to a place where time and space have no boundaries, no definition. While golden rays reflect off the shimmering water, I find myself reflecting on the life I ve led these past six decades. Reaching into the past, I see shades, hints, and whispers of the person I am today, the mother and grandmother I have become. I don t feel that far removed from the little Southern girl I once was. Always beside me, first in person and now in spirit I feel profoundly, is the steady, gentle presence of Karine. My dear Karine, what would my life have been without you? I dare not imagine. Growing up in Memphis, Tennessee, I was raised by three people: Mom, Dad, and Karine. Though my childhood was a privileged one by many standards, lived in comfort and relative ease, it was Karine, the lovely black woman who cared for me as if I...
