

Facebook Marketing (Paperback)

By Haytham Al Fiqi

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The newest trend in the internet today is joining one of the many social networking websites. Here, you will be able to keep in touch with your old friends as well as your relatives and you will also be able to make new friends as well as meet new people. With social networking websites, you will see that it will make the world a smaller place. One social networking website that is so popular among many people from all over the world is Facebook. In this website, you will be able to post your pictures, discuss your interests and hobbies as well as do other great things. In the past, Facebook was restricted to Harvard College students. In time, it expanded to other schools and universities until it became available for everyone above the age of 13 from different parts of the world. Presently, the Facebook website now has more than 62 million active users worldwide. Now, if you have an online business, you will see that Facebook can significantly help you promote your website and your business. Facebook...

Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Trystan Yundt**

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
