The WWC implemented or is considering implementing 14 of the panels 17 17 recommendations. The WWC implemented nine recommendations, in part by modifying some procedures and creating a procedures and 18 For example, in response to the panels standards handbook. recommendation that the WWC include a table of study dispositions (e. g. , whether studies meet WWC evidence standards) at the front of intervention reports, the WWC is modifying the report template to include a summary table along with the existing listing of dispositions in the reference section. The WWC also addressed panel concerns about technical issues in its review process by making its treatment of study attrition - the rate at which subjects drop out of a study - more consistent across topic areas. The panel noted that the WWCs practice of determining acceptable attrition levels by topic area led to arbitrary inconsistencies across the topic areas. In response to the panels recommendation that the WWC reconsider this practice, the WWC took steps to increase its consistency by developing attrition guidance that 19 applies to all...
