Government Accountability Office, 2005 OCLC Number: (OCoLC)63161481 Subject: Valles Caldera National Preserve (N. M.) Excerpt: . . . Financial System managed by the Department of the Interiors National Business Center - an option the Trust considered to be more cost-effective 5 than developing a system in-house. Beginning with fiscal year 2004, the Trust maintains its financial information on that system. Shortly after the federal government assumed ownership of the Caldera, Infrastructure Surveyed and the Trust learned that the existing infrastructure - roads, buildings, fences, Potential Solutions to and water treatment facilities - was seriously degraded and would have to Problems Identified be rehabilitated before it could provide public access to the Caldera. The Trust began the rehabilitation work in 2002. Roads. The Caldera has an estimated 1, 200 miles of roads, including 200 miles for the main access roads. Most of these roads had been constructed with little planning or engineering and had been used to support logging operations. They could not be readily used to support administration, ranching, recreation, and other needs. In 2002, 3. 5 miles of Road 1, the main access road, and five key bridges were upgraded to all-weather commercial gravel standards; work on the this road was completed in 2003. Road 2 - a 10. 2-mile access road - was upgraded in 2004 and 2005. Road work will continue as needs are identified and resources become available. Figure 4 shows a portion of the main access road to the Caldera after rehabilitation. 5 Interiors National Business Center (NBC) uses its information systems to provide computer-processing services to other federal agencies. Under cross-servicing agreements, NBC develops and operates administrative and financial...
